CHRISTMAS GIVING TREE

The Christmas Giving tree is set up in the clubhouse.

This year we will be collecting items for the

Animal League of Green Valley

There are tags on the tree for all different kinds of this for cats and dogs.

Grab a tag(s), buy a gift(s) and place it in the bin beside the tree.

Items do not need to be wrapped.

Items will be delivered before Christmas Eve.

Remember, if you are looking to adopt a pet, contact them and they will be more than happy to assist you in find the perfect match for you.

HOW TO CONSERVE WATER:

- **Eat Less Water-Intensive Foods**
- Our diets account for roughly half of all the water we use.
- All food has a water footprint, but some are much larger than others.
- Eating less beef, one of the most water-intensive foods, is a smart place to start.
- Shifting away from animal products to a plant-based diet can shrink your water footprint significantly.
- Remember, vegetables and fruits can be rinsed in a bowl of water to conserve water which then can be used to water plants
- Using your kitchen sprayer also reduces water usage.
- **The Water Project** website has many more tips for stewardship of our disappearing precious resource.

November Community Food Bank Report

At the end of October, an additional 45 lbs. of food was delivered to the food bank from Green Valley Estates.

We gathered for a Memorial Birthday Party for our son, Jason, at the Community Center, and thanks to all your contributions, our total poundage of food was 195 lbs. We also contributed \$200.00 to the food bank in memory of Jason.

We would like to thank those that came out to the party and those that donated food for this event. Thank you so much for your generosity!

ATTENTIONS SNOWBIRDS:

ARE YOU LOOKING FOR SOMEONE TO TEND TO YOUR HOUSE DURING THE SUMMER MONTHS, LIKE LYLE USED TO?
CONTACT ED GRABER AT 231-903-1130
HE WILL BE HERE FULL TIME.

Housekeeping:

- Please remember that the Elected Officials are only for park activities. If you have concerns, input or needs in/for the park, please contact the Resorts office or Jeff.
- We want to make sure that Jeff and Annelle feel comfortable coming to events. Please remember that if they come to events, they are RESIDENTS not management. If you feel that you have something park related to speak with them about, make an appointment with them. They are more than willing to sit and discuss any concerns.
- Make sure you have your File of Life current. If you need one, please contact Alice MacFarland or they are in the clubhouse
- There has been an increase of cigarette butts in the streets of the park. Please DO NOT throw your butts out your vehicle windows or throw them on the ground when walking. This is

a fire hazard if they are not put out properly. We don't need someone's home going up in flames because of your carelessness. ALSO DO NOT PUT YOUR BUTTS IN THE CLUBHOUSE GARBAGE!!
